

product

```
graph BT; products_stocked[products_stocked] -.->|beverage| product[product];
```

The diagram consists of two rectangular boxes. The top box is white with a black border and contains the text 'product'. The bottom box is gray with a black border and contains the text 'products_stocked'. A dashed purple arrow points from the top of the 'products_stocked' box to the bottom of the 'product' box. To the right of the arrow, the word 'beverage' is written in black text.
